## LETTER OF STATEMENT

No. 027/I/KTIP/D-3/2022

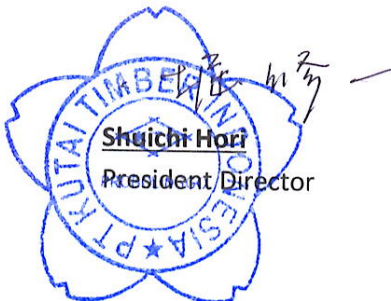

We, the undersigned below hereby certify that

- 1 Flamebreaks are eco-friendly, and the core was made from wholly wood with no chemical contents except glue.
- 2 We have official statement from our supplier that glue used for flamebreaks are Zero Ozone Depletion Potential.
- 3 Our Flamebreaks products are E1 compliant

This is the statement I have made truly,

Probolinggo, January 07<sup>th</sup> 2022
