LETTER OF STATEMENT

No. 66/I/KTIP/D-3/2020

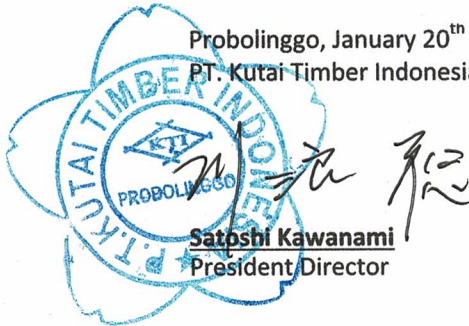

We, the undersigned below hereby certify that

1. Flamebreaks are eco-friendly, and the core was made from wholly wood with no chemical contents except glue.
2. We have official statement from our supplier that glue used for flamebreaks are Zero Ozone Depletion Potential.

This is the statement I have made truly.

Probolinggo, January 20th 2020
