## **LETTER OF STATEMENT** **No. 428/VII/KTIP/D-3/2018**

We, the undersigned below hereby certify that

1. Flamebreaks are eco-friendly, and the core was made from wholly wood with no chemical contents expect glue.
2. We have official statement from our supplier that glue used for flamebreaks are Zero Ozone Depletion Potential.

This is the statement I have made truly.

Probolinggo, July 4nd 2018  
PT. Kutai Timber Indonesia
