## LETTER OF STATEMENT

No. 160/I/KTIP/D-3/2026

We, the undersigned below hereby certify that

- 1 Flamebreaks are eco-friendly, and the core was made from wholly wood with no chemical contents except glue.
- 2 We have official statement from our supplier that glue used for flamebreaks do not contain any listed in VOC, RoHS, SVHC and other hazardous materials.
- 3 Our Flamebreaks products are E1 compliant

This is the statement I have made truly,

Probolinggo, January 29<sup>th</sup> 2026

PT. Kutai Timber Indonesia
